

Classification 11.3115 *No.* S-12863-C *State* New Hampshire *Place* Grafton County

Description.

S-12863C
Weeder used in potato field before plants come up. August 24, 1920. Note: Mr. French planted potatoes 4 or 5 inches deep and used a weeder twice before cultivating on a run-out farm without manure. He cut a good stand and controlled witchgrass.
